DID YOU KNOW?

PROTECTING YOUR PRIVACY Important message about Census takers

The 2010 U.S. Census is underway. Census workers who come to your door will carry:

- Official government badges marked with just their name
- Some census workers may carry a "U.S. Census Bureau" bag

We encourage you to ask them for a picture ID from another source to confirm their identity. If you have any doubts, call the Regional Census Center in Denver at 720-475-3640.

Do not provide a Census worker, or anyone else, with your Social Security number, credit card number(s) or banking information. Census workers will not request this information nor will they solicit donations or ask to come inside your home.

Census workers may contact you by telephone or mail, as well, but will never contact you by e-mail. Any purported Census contact by e-mail is a scam. Call the Denver Regional Center if you receive such an e-mail.
