

In order to use Quicken, you will need KFCU Online access. To apply for KFCU Online Banking, please call our Telephone Service Center at 505.254.4369 or 800.880.5328 or [visit one of our four convenient branch locations](#).

Our vendor is unable to get mortgage history to download.

If you are not sure what download method you are using in Quicken, you can find out by going to the Quicken menu and choosing Tools > Account List. Click on the Edit button next to one of your KFCU accounts and click on the Online Services tab which shows your Connection Method.

If you are having issues downloading your history, you may need to deactivate and reactivate your connection with KFCU. Make sure that you have a good backup before you deactivate your accounts.

It is important that you perform the following instructions exactly as described and in the order presented.

Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu → **Quicken Help**. Search for “Backup Data File” and follow the instructions.
2. Download the latest Quicken update. For instructions to download to download an update, choose **Help** menu → **Quicken Help**. Search for “Update Software” and follow the instructions.
